

The Restaurant excels at both buffet style, à-la carte menus and set menus thanks to creative international and local techniques and ingredients. Let your palate be your guide as you select from a deep menu of global fare and seasonal specialties (including local and international favourites, Arabic Mezzeh and seasonal fare). All are served à-la carte, and are perfectly paired with an exceptional wine selection, or craft cocktails (and mocktails). The Restaurant also excels at delicious local breakfasts — offering not just classic early-morning favourites, but also the finest coffee and tea selections.
